

## RoHS Compliance Statement

### DWM1001, DWM1001-DEV, MDEK1001

Decawave is committed to conducting its business in an environmentally, socially, and ethically responsible manner, complying with all applicable laws and regulations of those countries where we do business. Part of this commitment includes ensuring that our products meet the requirements defined under Directive 2011/65/EU of the European Parliament on the restriction of the use of certain hazardous substances in electrical and electronic equipment, also referred to as RoHS 2, and its amendments.

We have verified with our suppliers, through lab reports and certifications provided by the suppliers, that the module **DWM1001**, the development board **DWM1001-DEV** and the evaluation kit **MDEK1001** do not contain the following substances in excess of the indicated maximum concentration values:

- Lead (0,1 %)
- Mercury (0,1 %)
- Cadmium (0,01 %)
- Hexavalent chromium (0,1 %)
- Polybrominated biphenyls (PBB) (0,1 %)
- Polybrominated diphenyl ethers (PBDE) (0,1 %)
- Bis(2-ethylhexyl) phthalate (DEHP) (0,1 %)
- Butyl benzyl phthalate (BBP) (0,1 %)
- Dibutyl phthalate (DBP) (0,1 %)
- Diisobutyl phthalate (DIBP) (0,1 %)

As a fabless company, we confirm RoHS compliance via our supply chain partners. We rely upon our suppliers' material content data certification for each homogenous material in the product(s) that they or their subcontractors provide. The signature below verifies this statement is valid and accurate to the best of our knowledge. If you have any questions on this statement, please contact your Decawave representative. Please refer to [www.decawave.com](http://www.decawave.com) for more information or updates regarding the regulatory status of our products.
